RE: Request for Licensure Application

A link to the State Laws, Rules and Regulations is posted on the website, www.kbhae.com

In completing the application, please type or neatly print all responses. All questions must be answered, even if only by a "not applicable" (N.A.) response. In addition to the application, we will need the following items:

- Official transcript sent directly from the university of granting degree
- Documentation of current licensure as an audiologist in Kansas under K.S.A. 65-6501
- Documentation of current audiometer calibration
- Proof of name change (if applicable)
- Application fee of \$100.00
- License fee of \$100.00
- Verification fee of \$15.00 for each license held now or previously

Pursuant to K.S.A. 74-5814, a person licensed as an audiologist in Kansas and holding a doctoral degree in audiology will have the state examination waived and will be issued a license upon submission and approval of the above items. Once the materials are reviewed and approved, the board will prepare and mail your license certificate and card. Licenses are renewable by July 1 annually. Renewal information will be mailed at least 30 days prior to that date to your last known place of practice, or your last known home address as submitted on the application or provided later. Information regarding Kansas laws, rules and regulations is provided in the enclosed application packet.

According to Kansas HB 2745, relating to occupational licensing, certification and registration fees; providing that military spouses of active military servicemembers shall be exempted from all such fees. **This does not include the application fee.**

The Kansas Board is commissioned to protect the rights of consumers and licensees regarding the sale of hearing aids in Kansas. We ask for your help in this endeavor.
